Project Description:

Rocky Mountain Companies is proud to develop a major shopping center located at one of the first commercial lots in Emmett's city limits when approaching the city from Highway 16 .

Emmett's population is on the rise for many reasons. One of which is due to the lower cost of living compared to the U.S. average. Improvements to HW16 cut down the commute time to nearby cities like Eagle, Star, Meridian and Boise. Emmett has been stated as one of the best places to live for its beautiful scenery, friendly people, and clean downtown.

Emmett has been discovered by many local & national retailers due to the high demand of more services and businesses to keep up with the rising population. Local business owners say that with the growth and energizing community, it has been easy to find employees.
